Online Workshop on Public Procurement and Contract Management

About the Workshop

Procurement has become a specialized function in the era of changing business environment calls for efficient, responsive, and transparent purchase procedures. Public procurement procedures and policy instructions are based on the General Financial Rules (GFR) of the Dept. of expenditure, Ministry of Finance, Government of India. GeM-Government e-Marketplace is the national portal to make public procurement transparent & simple. Conceived by Government of India, GeM is an e-business platform for procurement of goods & services by government organizations. GeM offers all modes of procurement (direct purchase, L1, bid & reverse auction) in a paperless manner.

The workshop will be very useful for those involved in the handling of Public Procurement & Contract Management. Focusing on the both the guidelines and practical handling aspects is a comprehensive approach that can equip participants with the necessary knowledge and skills. This workshop is specifically covering the following functional competencies outlined in the ACBP document of DoT:

1. GFR
2. Government/Public Procurement
3. Contract Management
